All public trees and the ground below their respective drip lines, whether shown or not shown on the plans, are to be preserved unless approval to remove or prune is given in writing by Columbus Recreation & Parks (CRPD)/City Forester or if the public tree removal has been designated on the approved Final Site Compliance Plan. Trees approved for removal by either of the CRPD/City Forester shall be paid for under CMSC item 201, clearing and grubbing, unless otherwise provided for by unit price bid under item 201. The Contractor shall protect trees near or adjacent to the work area to avoid damage to all trees that are to remain. All trees removed shall include stump removal to eighteen (18) inches below grade. All clearing and grubbing done on CRPD property, Right-of-Way, or any City of Columbus property shall be removed and disposed of by the Contractor. Heavy equipment will not be allowed to compact the soil over the root zone of existing public trees. Restricted equipment access routes shall be coordinated with CRPD Inspector, Keith May, at (614) 645-3014 or KAMay@columbus.gov before work begins. Temporary paving materials, such as plywood, lumber or rubber matting, spread over the root zone of public trees may be required to prevent compaction. If a public tree needs to be removed, the Contractor shall provide a tree mitigation plan to Jim Long at (614) 645-2864 or JALong@columbus.gov and email refer to the CRPD Tree Mitigation Plan Guidance, ANSI A300 and/or City of Columbus Executive Order 2015-01 for tree replacement standards.

Public Tree Protection Note

A tree protection plan with a drawing of any work located within the drip line of a public tree shall be included in the approved Final Site Compliance Plan (FSCP). Refer to CRPD Standard Drawing for Tree Protection. Construction materials, excavation debris, fuel, equipment or vehicles are not to be stockpiled, stored, dumped or parked within the drip line of public trees. All trees must be protected against injury or damage to branches, trunks, or roots from construction and excavation, as described in the "Best Management Practices - Managing Trees During Construction" a companion publication to ANSI A300 Part 5. If there is a question whether a tree or not needs to be protected, the Contractor must contact the City Forestry representative Jim Long at (614) 645-2864 or JALong@columbus.gov. Failure to contact the City Forestry representative in advance of construction will result in the Contractor reimbursing City Forestry for the cost of any and all damage as determined by the current ANSI A300/City of Columbus Executive Order 2015-01 for tree protection and replacement.

## **ATTACHMENT I: INSTRUCTIONS FOR BIDDERS/PROPOSERS**

### **SPECIAL CONDITION**

Special conditions included in the specifications shall take precedence over any provisions stipulated hereunder.

### **SIGNATURE REQUIRED**

Any page format in which proposal pricing is stated must be signed in ink followed by the person's signature printed or typewritten. If the proposer is a firm or corporation, insert the corporate name followed by the signature and title of a person authorized to sign said proposal.

### **PRINCIPALS, PARTNERSHIPS OR PROPRIETORS**

All proposers are required to attach to the proposal packet a list of all principals, partners or proprietors of the company along with the appropriate title and/or position of each person.

### **TAXES**

Federal and/or State taxes are not to be included in prices quoted. The successful proposer will be furnished an exemption certificate if needed.

### **PRICING**

Proposers are to quote firm prices unless otherwise noted in the specifications. In case of a discrepancy in computing the amount of the proposal, the UNIT PRICE quoted will govern. In the event of a conflict between the price in numbers and the price in words, the price IN WORDS WILL CONTROL.

Quotations are requested F.O.B. destination. If quoted F.O.B. Shipping Point, include freight estimate and full value insurance cost.

### **ACCEPTANCE AND REJECTION**

This proposal will be accepted or rejected within a period of sixty (60) days from the proposal opening date. CMHA reserves the right to reject any and all proposals, to waive technicalities, and to request a re-quote on the required materials and/or services. If more than one item is listed, prices shall be quoted on each unit. However, each item shall be considered a separate proposal and CMHA reserves the right to award a contract on each item separately proposed, or on all items as a whole or any combination thereof. Proposers whose proposal is made on an "all or none" basis must clearly state such fact in the proposal.

### **WITHDRAWAL OF PROPOSALS**

Proposers may withdraw their proposals at any time prior to the time specified in the advertisement as the closing time for the receipt of proposals. However, no Proposer shall withdraw or cancel his proposal for a period of sixty (60) days after said advertised closing time for the receipt of proposals.

### **SUBMISSION OF PROPOSAL**

Proposals must be submitted on the attached proposal page unless otherwise noted in the specifications. Blank spaces in the proposal must be completed and the phraseology is not to be changed. Any additional conditions, limitations, or provisions attached to the proposal may result in its rejection. It is important that all pages be in proper sequence. If the vendor does not wish to propose, the proposal should be so marked.

Proposals received prior to the time of the opening will be securely kept, unopened. No proposal received after the specified time will be considered except under the following conditions: if a proposal arrives by mail after the time fixed for opening, but before award is made, and it is shown to the satisfaction of the awarding officer that late arrival was due solely to delay in the mails, such proposals will be received and considered. No responsibility will attach to an officer for the premature opening of a proposal not properly addressed and identified.

Proposals must be submitted in a sealed envelope and clearly state the Proposer's Name, Address, RFP number and RFP Submittal deadline date.

### **CHANGES AND ADDENDA TO PROPOSAL DOCUMENTS**

Each change or addendum issued in relation to this proposal document will be on file in the office of the Purchasing Department no less than five (5) working days prior to the scheduled proposal closing. In addition, to the extent possible, copies will be mailed to each person registered as having received a set of proposal documents. Total proposal or specific item cancellations may be issued later than the time specified above.

### **DELIVERY**

Time will be of the essence for any orders placed as a result of this proposal. Purchaser reserves the right to cancel such orders, or any part thereof, without obligation if delivery is not made within the time(s) specified. Delivery shall be made 8:00 a.m. to 4:00 p.m. Monday through Friday to the destination shown on the proposal.

### **QUALITY**

Unless otherwise stated by the proposer the proposal will be considered as being in strict accordance with the specifications outlined in the Proposal Document.

Reference to a particular trade, manufacturer's catalog or model number is made for descriptive purposes to guide the proposer in interpreting the requirements of CMHA. They should not be construed as excluding proposals on other types of materials, equipment and supplies.

However, the proposer, if awarded a contract, will be required to furnish the particular item referred to in the specifications or description unless a departure or substitution is clearly noted and described in the proposal.

### **SAMPLES**

Samples, when requested, must be furnished free of expense and, if not destroyed, will upon request be returned at the proposer's expense.

### **INELIGIBLE PROPOSERS**

CMHA is prohibited from making any awards to contractors, subcontractors or firms who are on lists of those ineligible to receive awards from the United States, as furnished periodically by HUD. The current list of ineligible firms is available for inspection by prospective proposers at the offices of CMHA.

CMHA is required to procure contracts only with responsible contractors, i.e. those who have the technical and financial competence to perform and who have a satisfactory record of integrity. Before awarding a contract CMHA will review the proposed contractor's ability to perform the contract successfully, considering factors such as the contractor's integrity, record of past performance, and financial and technical resources.

### **AWARD OF CONTRACT**

The contract will be awarded to the responsible proposer submitting the lowest proposal complying with the conditions of the Invitation for Proposal with equal consideration being given to the detailed action plan, provided his proposal is reasonable and it is to the interest of CMHA to accept it. CMHA will consider proof of success of procedures (i.e., references) in the final determination.

All specifications and proposal documents become a binding part of the contract.

### **PERFORMANCE BOND**

All proposers will be required to furnish a performance bond for any service/construction proposals requested by the HA. The performance bond of 100% of the full amount of the contract, which secures the faithful performance of the contract, must be furnished within 14 days of contract award. No exceptions will be granted without prior written permission of CMHA. Failure of the successful proposer to comply shall constitute a default. CMHA may either award the contract to the next reasonable proposer or re-advertise for proposals; and CMHA may charge against the proposer the difference between the amount of the proposal and the amount for which the contract for the work is subsequently executed.

### **SUBCONTRACTORS**

The contractor shall not contract with any proposed subcontractor who has not been accepted by CMHA. The contractor shall notify CMHA in writing the name of each proposed

subcontractor. The acceptance or any objection shall be expressed in writing by CMHA within ten (10) working days after receipt of said request. CMHA may, without claim for extra cost by the contractor, disapprove any subcontractor for cause on the basis of its own determination or, because the contractor is listed as ineligible to receive awards of contracts for the United States on a current list or lists furnished by HUD.

### **CANCELLATION**

CMHA reserves the right to monitor and evaluate the performance of a vendor, pursuant to this proposal, on a regular basis. Either CMHA or the vendor may terminate this contract upon a material violation of the terms herein, provided that the offended party issues written notice of the violation to the offending party.

### **PRE-PROPOSAL CONFERENCE**

Where advisable or in the Authority's interest a Pre-Proposal Conference will be conducted for all proposers as specified in the proposal advertisement (time and location). However, in lieu of the aforementioned, any proposer or prospective proposer interested in a pre-proposal conference may request one by contacting the Purchasing Agent within seven (7) days after the date of the first publication of the notice to proposal. This conference shall be for clarification of procedures and requirements connected with the preparation of responsive proposals only.

### **MINORITY AND FEMALE BUSINESS ENTERPRISE POLICY**

As policy, the HA will aggressively seek to contract with minority and/or female business enterprises for at least twenty percent (20%) of its annual dollar expenditures for construction, development and supply of goods and services. Initially, CMHA will seek to meet this goal by expanding and improving its contacts with appropriate minority and/or female business enterprises, so that more responsive proposals and competitive quotations can be solicited and received from such business enterprises. CMHA will, therefore, compile and maintain a master list of minority and female business enterprises (categorized and referenced by types of businesses) and related non-profit or service organizations. These businesses and specific groups will be kept informed, through outreach activities, regarding general and specific business opportunities with CMHA. Formal bidding through public advertisements will also be paid for or sponsored by CMHA with minority press and media as well as the major Columbus newspaper. Training sessions, focusing on both CMHA's general business practices and specific construction jobs or purchasing transactions, will also be conducted for the benefit of minority and/or female business enterprises on a regular basis. Actual contract awards for construction and purchasing will be recorded and monitored for minority and/or female business enterprise participation, and selected proposers will be expected to achieve their minority and/or female business enterprise commitments. Implementation duties for this policy will be delegated to the Minority Business/Contract Compliance Officer (for development activities) and the Purchasing Agent (for procurement activities), under the general supervision of the President\CEO.
